

Invitation to Attend Under 1s Club in Ringwood and Fordingbridge

We are excited to invite you to attend the Under 1s Club, a community initiative dedicated to providing the best possible start in life for babies in Ringwood and Fordingbridge. The group offers a welcoming space for parents to connect with others who have similarly aged children, fostering a supportive environment for both parents and babies. The group will run weekly on Thursdays between 10am and 11:30am from Carvers Clubhouse, Ringwood.

In addition to supporting early development, we strive to connect parents with local services and resources. This ensures they are aware of the available support and encourages them to engage with other community groups as their children grow.

We would be delighted if you could attend one (or more!) of our sessions to share your expertise with the parents. Whether you offer a paid-for service or a community support activity, your presence would be greatly valued. Here are a few ways you can participate:

- **Talk or presentation:** by sharing your expertise on topics that new parents might find valuable. Sleep/food/attachment/play/development- the list goes on! Or come and tell parents about other activities in the town that they can attend or support that they can access.
- **Sample Activity:** If you run a relevant paid-for service, we invite you to run a short sample of your activity. This gives parents a firsthand experience of what you offer.
- **Informational Material:** Bring along or send any leaflets, brochures, or contact information that parents can take away with them.

Your participation would provide valuable insights and support to our community of parents and their little ones. We look forward to the possibility of collaborating with you to enrich the lives of families in our area.

Please let us know your availability and any specific requirements you may have for your participation. Any talk doesn't need to last longer than a few minutes so that parents have plenty of time to chat to each other and you.

Warm regards,

Charmaine Bennett
Centre Manager
